

## Accommodation in Oxford

Oxford is a tourist destination and can be expensive! There are various options to suit a range of budgets. Some suggestions are offered below. Prices are indicative only and are per night. Of course, many other hotels are available, possibly with discounts, via booking sites such as [www.booking.com](http://www.booking.com), so if the suggested providers can't help please don't give up. An asterisk \* means a limited number of rooms are being held for HistoCrypt participants, some with a discount, so please mention the conference when you book.

## Accommodation in Milton Keynes

After our day at Bletchley Park, an extra night in the locality may be desired. You may wish to stay over so you can return to Bletchley Park on 28 June (there's a lot to see!) or go to London rather than return to Oxford. Bletchley doesn't have many hotels but Milton Keynes (10 minutes away by taxi) has a good range of hotels and restaurants and is well connected for onward travel.

Suggested hotel options are:

- Leonardo Hotel <https://www.leonardohotels.co.uk/hotels/milton-keynes> (£120)
